## ***Greetings from the President***

**Georgia Angus Association Members,**

I am honored and excited to step into the role of President of the GAA, I want to take a moment to share my gratitude and vision as we embark on this journey together. Having been deeply involved in the Angus industry and as owner of Precise Cattle in Watkinsville, GA, I am committed to building on the strong foundation of our association and increasing our membership. I look forward to working with each of you, while also exploring new opportunities that will benefit our members and association. The GAA Board of Directors are working to plan events and opportunities for us to come together to rekindle old relationships and build new ones. I am eager to connect with each of you and hear your thoughts on how we can make Georgia Angus Association the best it can be. Please feel free to reach out to me anytime.

Best Regards,

*Ian McClure*
