### **Partners of the Georgia Angus Association,**

The Georgia Angus Association aims to bring Georgia's diverse Angus breeders together to build relationships while promoting the Angus breed. Our primary annual event is the Georgia Angus Association Annual Meeting and Banquet which we are planning for January 24, 2026 at Precise Cattle in Watkinsville. During this cocktail attire event, we will have our annual business meeting, cocktail hour, and a steak dinner for attendees to enjoy. New this year, we are adding a frozen genetics and advertising auction to support the association. This is an event where fellow Angus breeders and vendors can come together to fellowship and learn from one another. You will have the opportunity to share about new products and technologies with new and old Angus breeders alike. We would like to invite you to partner with us to host this event.

As a sponsor, we would invite you to join us for this event. You will receive recognition on a table at the banquet, from the stage, and in the spring edition of our quarterly newsletter.
